The registration fee for the 2008 season will be \$55 per swimmer with a family cap of \$150. If registration and payment is made before Time Trials on June 9, 2007, there is a discount of \$5 per swimmer. So, the early registration fee is \$50 per swimmer with a family cap of \$135. Team fees are used to buy awards, equipment, and other items needed to run this program, and are non-refundable.

Swimming is a family sport and each family's support is needed to have a successful season. Each meet requires approximately 25 adult volunteers to be run properly. We need help with the following: Deck Official, Timer, Computer Operator, Announcer, Clerk of Course, Snack Bar, Bulkhead Gang, and the various social activities we have planned. By being involved you are providing a positive example for your children and making our team strong.

This year we are trying something new (but it is standard at most other pools). We are ASKING each family to make at least THREE volunteer commitments at the beginning of the season (prior to Time Trials) as part of the registration process and sign up for at least ONE snack bar donation. If everyone makes and fulfills their commitment, no one will be burdened. The volunteer schedule will be printed and posted at the pool (see page 2).
