**The registration fee for the 2011 season will be \$80 per swimmer with a family cap of \$240.

Registration and payment must be made before Time Trials, June 11th. Swim Team fees are used to pay MCSL Dues, purchase awards, equipment and other items needed to operate the Team, and are not re-fundable.

**Additionally this year we are requiring a \$20.00 Snack Bar Fee per family. (This will replace the weekly "sign-up to bring food donations".)

Number Swimmers () X \$80.00 = _____ + \$25.00 = _____

Please make check payable to: **Calverton Swim Team**

**MCSL and Calverton Swim Club are asking parents and swimmers to read, sign and submit the "Code of Conduct" with your registration (see page 2 and 3).

**Swimming is a family sport and each family's support is needed to have a successful season. Each meet (Both "A" and "B" Meets) requires approximately 25 adult volunteers to run properly. The Team needs help with the following: Deck official (Starter, Stroke and Turn, and Referee), Timers, Computer operator, Announcer, Clerk of Course, Ribbon writers, as well as Bulkhead set up and take down. There are also various social activities that we need assistance with. By being involved you are providing a positive example for the Swimmers and making our team strong.

We are going to ask each family to make at least FOUR (4) volunteer commitments prior to the season (June 12th Time Trials). The volunteer schedule will be printed and posted at the pool.
